

## Home Depot House Letters

### Select Download Format:

When it comes to the paper size, the most common one is 8.5 x 11 inches. However, there are many other sizes available, such as 11 x 17 inches, 11 x 22 inches, and 11 x 31 inches. The size you choose will depend on the type of letter you are writing and the type of paper you are using. For example, if you are writing a letter on a standard sheet of paper, you will want to use a size that is 8.5 x 11 inches. If you are writing a letter on a larger sheet of paper, you will want to use a size that is 11 x 17 inches or larger.
